Calvin
Dear Mr. ~~Humphrey~~:

I need to arrange to meet with you and other interested staff members during the first week of February to discuss a couple of hold-over issues. First, we need to inform you about the decisions made by the EXCOM regarding the Human Resource Modernization and Compensation Task Force project.

I also want to discuss the concerns we have with the Family Medical Leave Act (HR 925). The bill was recently reported out by the House Education and Labor Committee and could receive attention on the House floor soon. There is a companion bill in the Senate (S-249) which is still in committee.

I trust that you have no problems with meeting jointly with the Senate Intelligence Committee staff. I will call the week of 25 January to work out the particulars but ask that you hold out a couple of dates and times for the first week in February.

Sincerely,

Office of Congressional Affairs
